Each year, **3 out of 10** high school students in America fail to graduate on time. But you can help us keep kids engaged in school and reinforce their academic skills – like reading, math and hands-on science.

The Club provides homework help, tutoring and other tools children and teens need to stay on track in school. And that makes a huge difference.

**When kids succeed in school, they succeed in life.**

The family-like support at the Club is real and long lasting. We help youth become responsible, caring citizens with quality programs that create career aspirations, teach important life lessons and provide academic support in a safe place to learn and grow. **However, we must do more. We can do more.** But we can't do it without you! The Club can continue to impact these young lives with help from donors like you. **This holiday, please give a gift of \$100 that will truly change a life.** You can help a child achieve their learning potential. Provide a safe haven, educational programs and more with your holiday gift today. Your donation will help us continue to build community and empower youth.

Thank you so much for your support, and best wishes for a joyous holiday.

Sincerely,

John Pence, Chair  
 Board of Directors  
 Boys & Girls Clubs of the Black Hills
